

MOUNTAINVIEW SURVEY

TO ALL FEMALE GOLFERS PLAYING THE MOUNTAINVIEW RED TEES

We are conducting a trial April 1-30, 2019, by moving the MountainView Red Tees on holes #3, #9, and #15 forward to the Yellow Tee boxes. We are testing if this move supports better playability of the course for the average female golfer, without negatively affecting the golf course. Although three holes are included in the trial, each hole will be evaluated separately in the trial results.

We would appreciate if you would complete the back of this form based on your experience playing the Red Tees during the trial period. Play as often as you want during the trial before you submit your survey response. Please complete only one survey form based on your total experience. Fill in your name and handicap index and return your survey to the MountainView Golf Shop no later than April 30, 2019.

Thank you for participating!
