

# SADDLEBROOKE RANCH

*Women's Golf Association*

Good Afternoon:

We had a very pleasant day for golf and were delighted to host our MVP guests. Our sponsor today was Outdoor Creations. The tournament was two best balls of the foursome at 100% course handicap. There were two Flights. The Summer Flight had 8 teams; one team was a threesome and so had a Blind Draw. The Solstice Flight had 7 foursomes; one was a threesome and so had a Blind Draw. The total purse was \$290.

We had 2 Closest to the Pin competitions sponsored by Team Platinum and Youthful Glow. The winners were as follows: Hole #5, Susan Ness (SBR) and Hole #14, Ralene Peters (MVP). Congrats to both.

There were two Chip-Ins for SBR players. These were Barb Simms on Hole #6 and Trish Minard on Hole #15.

Here are the Flight Results with some needed information. First, our Blind Draws were Hawkins and Hodges. Both draws placed in two winning teams. Unfortunately, Blind Draws are allowed to win only once. Second, each Flight had a very small total course handicap spread. Third, there were several card-offs which Golf Genius handled.
