

MPWGA Mentor Program Guidelines

Updated January 3, 2025

Dear (Mentor Name),

Thank you for volunteering to serve as a mentor to a new MPWGA member! You will be giving (new member name) a welcome and orientation to MPWGA. The MPWGA website and the Member Booklet under "Membership" on our website will be your primary guides. Below are some guidelines to help you work effectively with your mentee:

- Contact the new member as soon as possible after receiving your mentee assignment from Suzan Carter, Membership Chair. Suzan will have made an initial contact with the new member, offered the assistance of a mentor and reviewed our website, ForeTees and the Member Booklet so she'll be familiar with those. Set a time and date for the orientation, preferably at her home with her computer/tablet, if mutually agreeable, to review those resources in more detail.
- At the end of the orientation, determine when will be her first Tuesday Play-Day, and help her sign up, if needed. Also, remind her of the \$5 play day fee billed to her homeowner's card. Let her know about the pairings and scorecard email notifications and printing of scorecards. Also, introduce and explain the option for Live Scoring via the Golf Genius Smartphone app on Tuesday Play Days. Remind her of the signup deadline of Wednesday, 3pm, for the following Tuesday.
- Inform the Weekly Tournament Chairs and hopefully, you will be able to be in the same foursome as your mentee. Offer to meet her at the course/driving range before your tee time.
- Introduce her to anyone and everyone you can! We would like her to feel and know that she has joined a welcoming, friendly and fun association!
- **Throughout the round of golf:**
 - As appropriate, remind or inform her of golf rules.
 - Assist her with any situation that arises. Have your fellow players provide assistance, too. If you don't know the answer to any of your mentee's questions or concerns, tell her you will find out the answers and get back to her.
 - Follow pace of play guidelines and ensure she's aware of things she can do to enhance pace of play.
 - After golf, assist her with scorecard verification, Live Scoring reconciliation and noting birdies and chip-ins on the scorecard.
- Invite her to stay for lunch, if currently possible. If you are unable to stay, introduce her to other members that are.
- Invite her to sign up for any upcoming events and/or business luncheons; and remind her to sign up for golf separately on ForeTees for each Play Day.

Please see and forward to new members the attached Golf Cart Directions

If you have any suggestions to enhance the program, or if you would like to meet with me to review your responsibilities, please let me know. Thank you!
